Delinquency / Shut-off Notice Policies

North Sewickley

30 / 60 / 90 day late notices are sent; if there is no payment, a shut-off notice with 10 days to pay is sent; they are given one day extra before water is shut off

Brighton Twp.

A 90 day late notice is sent; if there is no payment, a shut-off notice is mailed certified with 10 days to respond; if there is no response, a notice posted with three days to pay before the water is shut off

Hopewell Twp.

10 - 15 days after due date, a "reminder" notice is sent with 10 - 15 days to pay; if no payment is made, a collection agency sends a shut-off notice with 10 days to pay before water is shut-off

Economy Boro

A 90 day late notice is sent, with 15 days to pay (which usually stretches to the next billing cycle, giving the customer 30 days); if no payment made a shut-off / lien notice is sent with 15 days to pay (which usually stretches to the next billing cycle, giving the customer 30 days); they usually never shut anyone's water off, they usually put a lien on the property instead

Center Twp.

A delinquency notice is sent to any customer that has a balance of \$100 or more, with 20 days to pay; if no payment is made, a notice is sent certified mail, with 10 days to pay; if no payment is made, a shut-off notice is posted with 7 days to pay before the water is shut off

Industry Boro

A 30 day late notice is sent, with 30 days to pay; if not payment is made, a shut-off notice is posted with three to five days to pay before the water is shut off

Beaver

10 days after the due date, a "reminder" notice is sent, with 20 days to pay; if no payment is made, the water is shut off on the 21st day

Cranberry Twp.

A 35 day late notice is sent, with 14 days to pay; if no payment is made, a shut-off notice is sent certified mail with 14 days to pay before the v
shut off

Patterson Twp.

A 10 day late notice is sent, with 10 days to pay; if no payment is made, a shut off notice is posted with 15 days to pay before the water is shu
